This template file is for ULT2022 with one (or no) Figure. Use this file for making your abstract by TeX. If you have two Figures, use ULT2022_TwoFigures.tex.

- You need to finish registration before submitting abstracts.

- You may also use a prepared template file for Microsoft Word (ULT2022.docx).

- Please do not change the size of fonts, margins, indents, and spaces.

- Do not exceed a single page (A4).

- Make references by inserting the reference numbers in a bracket like [1, 2].

- The file name is arbitrary (e.g. Shirahama_ULT2022_1.tex).

You may upload up to four abstracts from the ULT2022 website (GoogleForm):
`https://forms.gle/hACu7ehQo59GJvaL7`.

If this shortened URL does not work, please enter GoogleForm from the ULT2022 Registration page.

Important: Upload the TeXfile (e.g. Shirahama_ULT2022_1.tex), a compiled PDF file (Shirahama_ULT2022_1.pdf), and, if any, figure file(s). We also accept a zipped file (e.g. Shirahama_ULT2022_1.zip).

The deadline for submission of abstracts is **June 13 (Mon.), 2022**.

Fig. 1: Insert the figure caption here. You may change the width of this caption by changing the number 0.6 to some other value such as 0.8.
